ANNEALED TAG WIRES

Used for attaching tags and labels to all kinds of bags, locks, entry doors or any item requiring labeling or identification. These tag wires are made of a bright, annealed No. 26 gauge wire and are packed in bundles of 1000 wires. Wire is 12" long.

- Annealed Tag Wire **No. 441**

DIAMOND DEADLOCK TAG FASTENER

Made of heavy gauge copper wire.

- Deadlock Tag Fastener **No. 215**

SEEDBURO LOOP END WIRE TIES

Our Loop End Wire Ties make bag closing simple, quick and economical. They assure speed and neatness with security and uniformity.

These wire ties can be furnished in any gauge from 12 to 21, ranging in lengths from 3½" to 48". Commonly used with our bagging tools No. 219A and No. 220 (shown below). All shipments are made in rolls of 5,000 ties.

SPRING RETURN TWISTER

This heavy duty steel twister works great with our Loop End Wire Ties. One pull makes 2½ turn twists. The hook automatically returns to its original position.

- Spring Return Twister **No. 219A**

PISTOL GRIP TWISTER

The Pistol Grip Twister offered by Seedburo features a heavy steel hook with a wooden handle. Commonly used with our Loop End Wire Ties when more than 2½ turn twists may be required. Also used for untying wire ties. Unit requires only a simple "cranking" motion.

- Pistol Grip Twister **No. 220**
