

STAINLESS STEEL DIGITAL BENCH SCALE

The Seedburo 7000XL Series Digital Bench Scale has a rugged washdown, 304 stainless steel NEMA 4X rated construction. It features fast and stable digital weight displays in lbs, oz, Kgs, g or lbs and oz with a bright LED display and an oversize zero pushbutton. The new shockproof, low profile (as low as 2" high) base features a "quad spring" break-away design to protect against shock and overload. This scale has extensive user friendly set-up menus and is an ideal general purpose scale. A universal mounting bracket allows the scale indicator to be mounted in various positions to accommodate the users needs. The 7000XL series is NTEP certified and meets USDA and Canadian Weights and Measures approval. Available in 5, 10, 25, 50 lb capacities with a 10" X 10" platform. Net wt.16 lbs. Ship wt. 18 lbs. Also available in 50 & 100 lb capacities with a 12" X 12" platform. Net wt.20 lbs. Ship wt. 24 lbs. Indicator dims (all models) 10" L x 3" W x 6.25" H. Ship dims (all models) 17" L x 17" W x 17" H.
