

### FISCHBEIN PORTABLE BAG CLOSER

The rugged Fischbein Portable Bag Closer sews all kinds of paper, textile and poly bags dependably and stands up to the most demanding applications. This closer is simple to operate, even for inexperienced workers. Sews single thread type 101 chain stitch. The bag closer may be hand-held, mounted on a suspension unit, or on a Fischbein Carriage conveyor. An efficient internal oiling system lubricates all moving parts as the bag closer is operated. Housing is cast and machined to close tolerance.

Available in 110 or 220 Volt AC, or 12 Volt DC versions. Unit is supplied with one package of needles, one cone of thread and operator's maintenance manual. Ship wt. 17 lbs. Ship dims. 15" L x 12" W x 15" H.

Fischbein Bag Closer, 110V, 50/60Hz .....	<b>No. MODEL F</b>
Fischbein Bag Closer, 220V, 50/60Hz .....	<b>No. MODEL F/A</b>
