

PROFESSIONAL MULTI-PURPOSE RESPIRATOR

The Seedburo Multi-Purpose Respirator is designed and constructed for exceptional performance and comfort. Soft, natural rubber and wide flanges on the inside assure proper sealing. Off-center cartridge adapters allow adjustment of the cartridges for maximum visibility and adequate clearance for goggles or glasses. This rugged, lightweight respirator provides protection against pesticide and paint sprays/vapors, lead and asbestos dusts/fumes, sanding dusts/particles and much more. NIOSH Approval No. TC-84A-0991

Professional Pesticide Respirator **No. 95050**
Replacement Cartridges, Pkg. of 2 **No. 95061**

ECONOMY TWIN CARTRIDGE RESPIRATOR

Like our Multi-Purpose Respirator above, this respirator is a low cost, reusable unit ideally suited for dusts, fumes, mists, pesticides and paint spray. The respirator features dual, replaceable filters and cartridges and is designed for comfort and proper sealing. NIOSH Approval No. TC-84A-1623

Economy Dust Respirator **No. 95115**
Replacement Cartridge, Pkg. of 2 **No. 95111**
Replacement Filter, Pkg. of 2 **No. 95112**

REUSABLE DUST/MIST RESPIRATOR

This Seedburo Dust/Mist Respirator is a single filter unit that provides comfort, reliability and versatility. This respirator has a small profile facepiece that allows adequate clearance for protective glasses and goggles. Approved as an N95 respirator for protection against non-oil containing dusts, fumes and mists. NIOSH Approval No. TC-84A-2658

Reusable Dust/Mist Respirator **No. 95190**
Replacement Filters, Pkg. of 4 **No. 95191**

SEEDBURO THROW-AWAY DUST RESPIRATOR

The Seedburo Throw-Away Dust Respirator is designed for comfort and efficiency. The mask features a strengthened outer shell to prevent structural collapse and a soft inner facepiece for true comfort. An adjustable metal nose-piece and heavy duty head straps are standard. Approved as an N95 respirator to protect against non-oil containing dusts, fumes and mists. NIOSH Approval No. TC-84A-2459

Throw-Away Dust Respirator, Box of 10 **No. 99493**

SEEDBURO DISPOSABLE COMFORT MASKS

This "nuisance" mask is completely disposable and features an adjustable metal nosepiece. Used for protection against a wide range of non-toxic dusts such as pollen, cement and stone. These masks are not NIOSH approved and should not be used for protection against toxic air contaminants.

Disposable Masks
