

EAR CORN SHELLE

The Almaco Ear Corn Sheller, distributed by Seedburo, is a self-cleaning unit suited for grain breeders and similar research operations. Designed for bulk or single ear shelling, this unit is a powerful and efficient high-volume stationary type sheller. It is capable of producing over one ton of shelled corn per hour.

The SECS has an enclosed metal raspbar cylinder and variable speed cylinder drive with a single lever adjustment. Underslung, open-grated concave with front and rear clearance adjustable via a single lever. Self-cleaning design allows for inspection of entire threshing area through the top panel. Complete with cob kicker/strawpuller assembly, removable seed collection tray and safety cover guards. Dims. 45½" L x 29½" W x 62½" H, Net wt. 600 lbs., Crated wt. 750 lbs., Export boxed wt. 830 lbs.

Ear corn sheller with 2HP 220V, 60Hz/1PH	No. SECS/E
Ear corn sheller with 2HP 220V, 50Hz/1PH	No. SECS/C
Ear corn sheller with 5HP gas engine	No. SECS/G
Ear corn sheller with Aspirator Attachment w/3HP 220V, 60Hz/1PH	No. SECSA/E
Ear corn sheller with Aspirator Attachment w/5HP gas engine	No. SECSA/G
Wheel truck assembly with handles	No. SECS-W
Rear waste bagging attachment	No. SECS-R
Export spare parts kit for gas engine	No. SECS-SPKG
Export spare parts kit for electric motor	No. SECS-SPKE
Domestic crating	No. SECS/DOM
Export crating	No. SECS/EX

PORTABLE BELT THRESHER

Designed specifically for threshing single plants of soybeans, wheat, barley, grass, sugar beets, edible beans or other similar crops. Wide rubber belts gently remove seed from plant material for pure seed samples and minimal damage. Belt design offers superior operator safety.

Features include:

- Feeding chute
- Adjustable clearance between wide, patterned belts
- Air column cleaning system for clean, pure seed samples
- Side delivery seed collection chute
- Spring-loaded door on seed chute
- Trash containment curtain
- 4 pneumatic wheels with towing handle and brake
- Hinged safety cover guards

Single Plant Belt Thresher, 110V, 60Hz 3/4 Hp Elec Motor	No. SSBT/B
Single Plant Belt Thresher, 3HP Gas Engine	No. SSBT/G
Spare parts for electric power	No. SSBELT-SPKE
Spare parts for gas power	No. SSBELT-SPKG
Domestic crating	No. SBT/DOM
Export crating	No. SBT/EX

CORN HUSKING PEGS

Combination 4¾" heavy steel plated pin, curved forefinger guard. Suede eyelet adjustment at end.

Husking Peg, Heavy metal pin, plated 4½", 3 finger compartments, lace thong	No. 114
Husking Pin	No. 118

CORN HUSKING HOOK

Heavy steel curved palm plate with corrugated hook in one piece. Palm pad and wristband, double hand strap.

Husking Hook	No. 119
Husking Hook; left hand	No. 119L

WALNUT/ CORN SHELLE

Seedburo's Corn Sheller is made of durable cast iron. Clamps on to bins or barrels.

Corn Sheller	No. 116
--------------------	---------

HAND CORN SHELLE

Cast aluminum. Rotary movement of wrist shells samples. For ear corn or popcorn.

Hand Sheller	No. 115
Popcorn Sheller	No. 117
